- ▶ The Test Laboratory performing the AEF Conformance Test is responsible for the technical results.
- ▶ The AEF owns the technology and the AEF ISOBUS Certification Label and is responsible for the technical content (Conformance Test Tool).
- ▶ ENAMA audited of the test laboratory on behalf of the AEF.

The validity of the certificate is subject to periodic inspection and can be suspended or withdrawn at any time in the event of noncompliance with the requirements as ascertained by the AEF and/or ENAMA. This certificate is issued in compliance with the agreement of cooperation between ENAMA and AEF (Service Partnership Agreement, signed the 12th of December 2012).
